It is hereby agreed that Becky's Wildlife Studio accepts the above described specimen(s) from the client and both parties do hereby agree to the following terms and conditions.

Upon notification of completion, the trophy must be claimed and balance paid within 15 days or client will incur a storage fee of \$2 per day per trophy. After 90 days the trophy will be considered "abandoned" and may be sold or disposed of without notification or compensation. Client may also be subject to legal action via small claims court or a collection agency. All attempted collection charges incurred will be paid by client (ie. certified letters, attorney's fees, etc.). No work will be released from this studio until balance is paid in full – no exceptions. Any cancelled orders will result in loss of deposit.

All shipping and tanning is done at owner's risk. The tannery, as well as Becky's Wildlife Studio, reserves the right to replace a skin of equal or greater value than the original if need be. All deposits are obligated to supplies and are therefore non-refundable. The client shall be responsible for notifying this studio of any address or phone number changes. Failure to do so may result in forfeit of trophy and deposit. All specimens must be harvested in accordance to State and Federal regulations and be accompanied by appropriate license, tags, or permits at time of check-in. A deposit is required before any work is begun.

It is further agreed that Becky's Wildlife Studio will exercise due care in maintaining the specimens in their control but that in the event they are lost or damaged through theft, vandalism, fire, electrical failure or acts of God, Becky's Wildlife Studio shall not be held liable.
